

Franz MICELI
Publisher

No. 1 IN TECH MEDIA IN FRANCE

TEST - ANALYSIS - EXPERT OPINION

As the only tech media outlet in France with an independent testing laboratory, Les Numériques guides consumers in their choices of high-tech products, smart home devices and digital services.

The publication supports its readers throughout the entire product lifecycle. Through rigorous testing, accessible content and an informative tone, Les Numériques has established itself as a trusted third party between brands and a discerning audience seeking to make informed and responsible decisions.
