## BETTER-PLANNED PROJECTS, SUCCESSFUL RENOVATIONS

### EXPERTISE - RENOVATION - DECORATION

Maison & Travaux is the essential reference in home living, providing inspiration and practical advice for renovating, arranging, and innovating your living space.

# WHAT'S NEW ?

**In 2026, Maison & Travaux is reinventing itself with a new approach that stays closer than ever to the real-life projects of French homeowners.**

Maison & Travaux reaffirms its mission: to support individuals in all their home improvement and renovation projects.

Moving beyond simple décor inspiration, the focus shifts to action, education, and expertise.

Maison & Travaux is now structured around practical, room-by-room projects designed to meet everyday needs—whether it's a small upgrade or a more ambitious renovation.

With guides, expert advice, real-life feedback, and technical insights, the magazine becomes a trusted partner for anyone looking to enhance, renovate, and add value to their home with confidence and peace of mind.
