Editorial Director

LIVING IN THE COUNTRYSIDE

HUNTING - NATURE - GARDEN

As France's leading hunting magazine, Le Chasseur Français offers a wide range of content to engage its readership.

Key sections include The Grand Report and The In-Depth Investigation, brought to life with stunning photography. Articles also cover nature and leisure activities: hunting, fishing, gardening, DIY, and rural life. An intuitive color code allows readers to quickly identify thematic sections.

A lively and friendly tone brings the voice of rural France to life.
