Editor in chief

ALL HUNTS IN FRANCE

HUNTING - PASSION - NATURE

The R.N.C is the brand for hunting enthusiasts, with an editorial team made up of some of France's most renowned hunting experts.

It is also the go-to magazine for epicurean hunters who love and respect game and nature. Its three main editorial pillars, discovery, debate, and leisure, are brought to life through authentic experiences, hunts from near and far, and a wealth of practical, technical, and entertaining information.
